Subject Index

A

- abortion, induced, risk of breast cancer and (*tip*), August, p. 481
- abuse
 - and addiction, biochemical correlates of (*let*), September, p. 588
 - undiagnosed, in children with femoral fractures (*tip*), December, p. 1631
- access to health care
 - (*ed*), November (*suppl*), p. 105
 - AAFP position statement covers (*med rep*), July, p. 233
- acetaminophen, response to, and the risk of bacteremia (*tip*), September, p. 800
- acyclovir-resistant varicella in patients with AIDS (*tip*), August, p. 469
- addiction, abuse and, biochemical correlates of (*let*), September, p. 588
- adenosine for paroxysmal supraventricular tachycardia (*tip*), December, p. 1647
- adhesive, use of, in facial lacerations (*tip*), July, p. 212
- adiposity, increased central, and cigarette smoking (*tip*), July, p. 192
- adolescent health-risk behavior (*tip*), October, p. 1100
- adolescents
 - children and, precordial 'catch' syndrome in (*tip*), July, p. 195
 - contraceptive use in (*tip*), September, p. 798
 - screening, for psychosocial problems (*tip*), October, p. 1092
 - skateboard injuries in children and (*tip*), December, p. 1652

- aggressive behavior in persons with mental retardation, metoprolol for (*sci*), December, p. 1585
- AIDS (see also *HIV*)
 - acyclovir-resistant varicella in patients with (*tip*), August, p. 469
 - diarrhea in patients with, management of (*tip*), November, p. 1410
- airway diseases, obstructive, inhaler and spacer use in (*sci*), October, p. 1007
- alcohol withdrawal seizures, use of intravenous phenytoin in (*tip*), August, p. 459
- alcohol withdrawal syndromes (*tip*), July, p. 191
- alcoholism
 - disulfiram therapy in (*tip*), November, p. 1396
 - screening for, NIAAA issues report on (*med rep*), December, p. 1664
 - and substance abuse, recommended core educational guidelines for family practice residents, November, p. 1437
- Alzheimer's disease, new perspectives in the management of (*sci*), November (*suppl*), p. 415
- amniotomy in active labor (*tip*), September, p. 798
- anabolic steroid education for high school football players (*tip*), October, p. 1114
- anaphylactoid reactions associated with ciprofloxacin (*tip*), August, p. 466
- anemia, examining blood smears in the evaluation of (*tip*), July, p. 208
- anesthesia, local, for tubal sterilization (*tip*), July, p. 184
- aneurysm, abdominal aortic, and risk of rupture (*tip*), July, p. 192
- angina pectoris, stable, sustained-release diltiazem for (*tip*), August, p. 484
- angioedema, hereditary, diagnosis and treatment of (*tip*), November, p. 1386
- angioplasty in octogenarians (*tip*), December, p. 1622
- ankle sprains, diagnosis and treatment of (*tip*), November, p. 1425
- ankylosing spondylitis (*sci*), July, p. 147
- antacids and lidocaine, treatment of dyspepsia with (*tip*), December, p. 1629
- antibiotic monitoring, therapeutic (*tip*), September, p. 810
- antibiotic prophylaxis
 - in acute appendicitis (*tip*), August, p. 490

- recurrent otitis media and (*tip*), July, p. 186
- antidepressant, winter depression responds to (*let*), July, p. 41
- antihistamine therapy for allergic rhinitis (*tip*), August, p. 481
- aorta, coarctation of (*sci*), November, p. 1285
- appendicitis, acute, antibiotic prophylaxis in (*tip*), August, p. 490
- appendicular bone density and hip fracture in women (*tip*), September, p. 807
- arterial injuries from dog bites (*tip*), December, p. 1623
- ascariasis (*sci*), October, p. 999
- aspirin use, first-trimester, and congenital cardiac defects (*tip*), August, p. 454
- asthma
 - acute, corticosteroid therapy in patients with (*tip*), November, p. 1412
 - admission chest radiographs in patients with (*tip*), August, p. 460
 - chronic, inhaled corticosteroids for (*sci*), December, p. 1609
 - steroid-dependent, and methotrexate therapy (*tip*), October, p. 1103
- asthma mortality rising, why is? (*ed*), August, p. 358
- axillary temperatures, use of electronic thermometers for (*tip*), September, p. 830

B

- back pain, chronic low, TENS vs. stretching exercises for (*tip*), October, p. 1088
- bacteremia, risk of, response to acetaminophen and (*tip*), September, p. 800
- bacterial counts on the hands, 'no-rinse' scrub and (*tip*), October, p. 1098
- bacteriuria, hematuria and proteinuria, asymptomatic screening for (*sci*), August, p. 389
- Bell's palsy in pregnancy (*tip*), July, p. 229
- birth centers, outcomes of care in (*tip*), September, p. 824
- birth weight
 - influence of, on labor in nulliparas (*tip*), November, p. 1416
 - low, and cocaine use (*tip*), August, p. 492
- blood loss, GI, cow's milk and (*tip*), August, p. 450
- blood pressure
 - coffee consumption and (*tip*), October, p. 1070

 - blood pressure
 - coffee consumption and (*tip*), October, p. 1070

—24-hour monitoring of (*tip*), November, p. 1432
 blood smears, examining, in the evaluation of anemia (*tip*), July, p. 208
 bone density, appendicular, and hip fracture in women (*tip*), September, p. 807
 breast cancer, risk of, and induced abortion (*tip*), August, p. 481
 breast cancer risk, obesity and (*tip*), August, p. 490
 breast cancer treatment, early, NIH statement covers (*med rep*), November, p. 1440
 breech presentations, external cephalic version for (*tip*), November, p. 1390
 bronchopulmonary dysplasia in low-birth-weight infants (*tip*), November, p. 1396

C

- caffeine intake and conception (*tip*), August, p. 489
 calcium blocker toxicity (*tip*), October, p. 1069
 calcium channel blockers (*let*), August, p. 315
 cancer
 —breast, and induced abortion, risk of (*tip*), August, p. 481
 —prostate, screening for (*sci*), October, p. 991
 cancer mortality in the South (*tip*), September, p. 778
 cancer patients, place of death in (*tip*), August, p. 462
 cancer risk, breast, obesity and (*tip*), August, p. 490
 cancer treatment, breast, early, NIH statement covers (*med rep*), November, p. 1440
 captopril, effects of, in congestive heart failure (*tip*), July, p. 201
 cardiac defects, congenital, first-trimester aspirin use and (*tip*), August, p. 454
 cardiovascular disease and passive smoking (*tip*), October, p. 1080
 cardiovascular mortality and cholesterol levels in men (*tip*), November, p. 1375
 caregiver stress, family care of the elderly and (*sci*), September, p. 671
 caries, dental, prevention of (*tip*), September, p. 812
 carotid endarterectomy
 —in elderly patients (*tip*), September, p. 799
 —indications for performing (*tip*), July, p. 228
 carpal tunnel syndrome (*tip*), October, p. 1096
 catheter, defective urinary, simple method for removal of (*tip*), October, p. 1076
 cephalic version, external, for breech presentations (*tip*), November, p. 1390
 cerebral infarction and cocaine abuse (*tip*), September, p. 797
 cervical infections, predicting: new diagnostic index (*tip*), November, p. 1363
 cervical ripening agents (*tip*), September, p. 775
 chemistry testing, serum, value of (*let*), October, p. 923
 child, unprovoked seizure in a, and risk of recurrence (*tip*), November, p. 1395
 childhood intussusception (*tip*), December, p. 1646
 children
 —AAP updates immunization schedule for (*med rep*), July, p. 234
 —and adolescents, precordial 'catch' syndrome in (*tip*), July, p. 195
 —and adolescents, skateboard injuries in (*tip*), December, p. 1652
 —cow's milk intolerance and sleeplessness in (*tip*), July, p. 230
 —with femoral fractures, undiagnosed abuse in (*tip*), December, p. 1631
 —infants and, diagnosis of HIV infection in (*tip*), November, p. 1410
 —measures to prevent drowning in (*tip*), November, p. 1368
 —with petechiae, management of febrile illness in (*tip*), September, p. 825
 —pharyngitis in, cost-effective management of (*tip*), August, p. 492
 —post-traumatic pulmonary contusion in (*tip*), July, p. 220
 —restrained, motor vehicle injuries in (*tip*), July, p. 194
 —of Southeast Asian refugees, hepatitis B virus in (*tip*), July, p. 217
 —splenic injury in (*tip*), September, p. 822
 —tetracycline for Rocky Mountain spotted fever in (*tip*), November, p. 1414
 —undernourished (*let*), August, p. 315
 —young, febrile seizures in (*tip*), July, p. 207
 Chlamydia in pregnant women, screening for (*tip*), August, p. 490
 chlamydial infection and pregnancy outcome (*tip*), November, p. 1431
 chloral hydrate, use of, in intractable seizures (*tip*), October, p. 1088
 cholecystectomy, duodenogastric changes following (*tip*), November, p. 1386
 cholesterol levels in men, cardiovascular mortality and (*tip*), November, p. 1375
 cholesterol-lowering regimens, comparison of (*sci*), September, p. 761
 cigarette smoking, increased central adiposity and (*tip*), July, p. 192
 cimetidine vs. diphenhydramine for treatment of urticaria (*tip*), September, p. 810
 ciprofloxacin, anaphylactoid reactions associated with (*tip*), August, p. 466
 circumcision
 —routine neonatal (*let*), December, p. 1522, 1530, 1534
 —routine neonatal, reevaluating (*tip*), October, p. 1107
 claustrophobia, MRI and (*let*), October, p. 930
 clonidine dosage (*let*), November, p. 1220
 coarctation of the aorta (*sci*), November, p. 1285
 cocaine abuse, cerebral infarction and (*tip*), September, p. 797
 cocaine anesthesia, coronary artery vasospasm and (*tip*), September, p. 794
 cocaine use, low birth weight and (*tip*), August, p. 492
 cocaine withdrawal, myocardial ischemia during (*tip*), August, p. 475
 coffee consumption
 —and blood pressure (*tip*), October, p. 1070
 —and coronary deaths (*tip*), September, p. 775
 colic (*let*), September, p. 586
 conception, caffeine intake and (*tip*), August, p. 489
 condyloma, efficacy of podofilox solution in the treatment of (*tip*), October, p. 1095
 condylomata acuminata in the pediatric population (*tip*), November, p. 1401
 confidentiality, patient, the dilemma of: HIV infection (*ed*), October, p. 955
 congestive heart failure
 —(*sci*), September, p. 739
 —effects of captopril in (*tip*), July, p. 201
 constipation: pathophysiology and treatment (*sci*), November, p. 1335
 contraceptive use in adolescents (*tip*), September, p. 798
 contraceptives
 —combination oral, update on (*sci*), October, p. 1037
 —oral, clinical implications of (*tip*), July, p. 218
 —oral, use of, and rates of mortality (*tip*), August, p. 482
 core educational guidelines, recommended for family practice residents
 —alcoholism and substance abuse, November, p. 1437

- rheumatology, August, p. 495
- coronary artery vasospasm and cocaine anesthesia (*tip*), September, p. 794
- coronary deaths, coffee consumption and (*tip*), September, p. 775
- coronary disease
 - regression of, as a result of lifestyle changes (*tip*), November, p. 1407
 - use of nifedipine for (*tip*), October, p. 1085
- coronary disease mortality and changes in risk factors (*tip*), November, p. 1428
- correction
 - coccidioidomycosis: office diagnosis and treatment, July, p. 44
 - preparticipation physical examination for sports, October, p. 930
- corticosteroid therapy in patients with acute asthma (*tip*), November, p. 1412
- corticosteroids
 - inhaled, for chronic asthma (*sci*), December, p. 1609
 - to prevent necrotizing enterocolitis (*tip*), December, p. 1636
 - in spinal cord injury, use of (*tip*), October, p. 1108
- cow's milk
 - allergy to (*tip*), November, p. 1364
 - and GI blood loss (*tip*), August, p. 450
- cow's milk intolerance and sleeplessness in children (*tip*), July, p. 230
- crush injuries of the upper extremity (*sci*), September, p. 721
- cyclosporine therapy for rheumatoid arthritis (*tip*), October, p. 1100
- cyst, thyroglossal duct (*sci*), September, p. 665

D

- decongestant nasal spray and fetal blood flow (*tip*), November, p. 1380
- dementia, pharmacologic management of the symptoms of (*sci*), July, p. 123
- dental caries, prevention of (*tip*), September, p. 812
- dentistry, preventive, in primary care medicine (*tip*), August, p. 476
- depression
 - major, recognition and treatment of (*sci*), November (*suppl*), p. 595
 - treatment of (*tip*), August, p. 465
 - winter, responds to an antidepressant (*let*), July, p. 41
- desmopressin for diabetes insipidus, hemostatic disorders and enuresis (*sci*), October, p. 1051
- diabetes, predicting the likelihood of developing (*tip*), July, p. 188
- diabetes insipidus, hemostatic disorders and enuresis, desmopressin for (*sci*), October, p. 1051

diarrhea

- (*tip*), September, p. 816
- hospital-acquired, and inappropriate testing (*tip*), September, p. 820
- mild infantile, effects of unrestricted diet on (*tip*), September, p. 816
- in patients with AIDS, management of (*tip*), November, p. 1410
- diet(s)
 - significance of, in preterm infants (*tip*), November, p. 1368
 - unrestricted, effects of, on mild infantile diarrhea (*tip*), September, p. 816
 - very-low-calorie, use of, in obesity (*ed*), November, p. 1254
- digital operations, surgical gloves as tourniquets during (*tip*), November, p. 1367
- diltiazem, sustained-release, for stable angina pectoris (*tip*), August, p. 484
- diphenhydramine, cimetidine vs., for treatment of urticaria (*tip*), September, p. 810
- disc space infection: a case report with MRI diagnosis (*sci*), October, p. 983
- disulfiram therapy in alcoholism (*tip*), November, p. 1396
- diuretic-induced hypokalemia and the use of salt substitutes (*tip*), September, p. 788
- diuretics
 - lipid abnormalities and (*let*), August, p. 315
 - thiazide, and hip fractures (*tip*), September, p. 816
- dog bites, arterial injuries from (*tip*), December, p. 1623
- Down syndrome, prenatal diagnosis of (*tip*), December, p. 1622
- drinkers, problem, health profiles of (*tip*), November, p. 1364
- drowning in children, measures to prevent (*tip*), November, p. 1368
- drug use, intravenous, medical complications of (*tip*), November, p. 1367
- duodenal string test (*tip*), December, p. 1630
- duodenogastric changes following cholecystectomy (*tip*), November, p. 1386
- dyspepsia, treatment of, with antacids and lidocaine (*tip*), December, p. 1629
- dysplasia, bronchopulmonary, in low-birth-weight infants (*tip*), November, p. 1396
- dysplastic nevi and malignant melanoma (*sci*), August, p. 372
- dystocia, shoulder (*tip*), September, p. 815

E

- echocardiography, use of, in mitral valve prolapse (*tip*), July, p. 186
- economics, clinical (*tip*), July, p. 220
- ectopic pregnancy, use of ultrasonography to diagnose (*tip*), November, p. 1422
- editorial board, *AFP*'s new (*ed*), November, p. 1253
